About this book	xi
Acknowledgments	xiii
Scope and Sequence	xiv
CHAPTER 1 Gathering Information about Children	2
Introduction	2
Part I: Everyday Language and Concepts	
Describing children	4
Activity 1 Pre-listening questions	4
Activity 2 Listening cloze: Happy Valley Child Care Center	4
Activity 3 Pronunciation of plural nouns	5
Activity 4 Find somebody who...	6
Activity 5 Describing stages of childhood	7
Activity 6 Talking about children at different stages	8
Activity 7 Phrases for describing age	8
Activity 8 Choosing phrases to describe age	9
Activity 9 Linking words in spoken English	9
Activity 10 Asking about a child's age	9
Activity 11 Reviewing phrases to describe age	10
Activity 12 Error correction: Phrases about age	10
Activity 13 Writing assignment: People and their ages	10
Activity 14 Expressing a child's age and stage	11
Activity 15 Reading a description of a child to complete an enrollment form	11
Activity 16 Drawing and introducing a paper doll	12
Activity 17 Writing assignment: A brief introduction of a child	12
Activity 18 Maintaining a child's home language	12
Part II Academic Language and Concepts	
Understanding an observation report	14
Activity 19 Demonstrating action verbs	14
Activity 20 Reading: Observation Report	14
Activity 21 Fact-finding	16
Activity 22 Organization of an observation report	17
Activity 23 Reading and vocabulary analysis	17
Activity 24 Post-reading discussion	19
Activity 25 Written cloze summary: Ben's activities	20
Activity 26 Vocabulary highlight: care	20
Activity 27 Word forms: Same form, different function	21
Activity 28 Identifying syllables and word stress	21
Activity 29 Student-to-student dictation	21
Activity 30 Observations and comments	22
Activity 31 Completing a running record with the present or past tense	23
Activity 32 Writing assignment: Retell a running record using past tense	24
Activity 33 Distinguishing facts from opinions	24
Part III Practical applications	
Filling out an enrollment intake form	25
Activity 34 Examining an intake form	25
Activity 35 Making questions using <i>do</i> and <i>be</i>	26

Contents

Activity 36 Gerunds and infinitives as objects	26
Activity 37 Error correction: Gerunds and infinitives	27
Activity 38 Writing assignment: An introduction and reflection on a child	28
Activity 39 Listening cloze: Debra Patel	28
Activity 40 Dictation	28
Activity 41 Creating a bilingual booklet for children	29
CHAPTER 2 Documenting Development	31
Part I: Everyday Language and Concepts	
Describing children's actions and clothing	32
Activity 1 Describing a young child's actions	32
Activity 2 Observing and talking about a toddler's actions	33
Activity 3 Making statements with the present progressive	34
Activity 4 Describing children's actions with the present progressive	34
Activity 5 Choosing the present progressive or the present tense	35
Activity 6 Error correction: Simple present and present progressive	36
Activity 7 Listening for verbs in a running record	36
Activity 8 What are the children wearing?	37
Activity 9 Putting the clothing away	38
Activity 10 Conversing with children about the purpose of clothing	38
Activity 11 Listening to a description of clothing	39
Activity 12 Describing the actions and clothing of children in a photo	39
Activity 13 Using adjectives in the correct order to describe clothing	39
Activity 14 The benefits of play	40
Activity 15 Using play to describe a scene	40
Activity 16 Using the present progressive in a running record	41
Activity 17 Song: This is the Way We Laugh and Play	42
Activity 18 A running record: Laura and Emily	42
Activity 19 Putting actions in order and using transitions	42
Activity 20 Listening cloze: An observation of Sam	43
Activity 21 Written cloze: An observation of Tina	43
Activity 22 Error correction: Parallel verbs	44
Activity 23 Describing a child's actions in a video	44
Activity 24 Observing a child and writing a running record	44
Part II: Academic Language and Concepts	
Understanding a Child's Development	45
Activity 25 Pre-reading questions	45
Activity 26 Reading: Domains of Child Development	45
Activity 27 Fact-finding	47
Activity 28 Organization of the reading: Domains of Child Development	48
Activity 29 Reading and vocabulary analysis	50
Activity 30 Post-reading discussion	52
Activity 31 Vocabulary highlight: develop	53
Activity 32 Word forms: Suffixes -tion, -al	54
Activity 33 Identifying syllables and word stress	54
Activity 34 Student-to-student dictation	54
Activity 35 Using the past progressive	54
Activity 36 Using past progressive and simple past verbs: Laura and Emily	55

Contents

Part III: Practical applications	
Filling out an anecdotal record form	56
Activity 37 Understanding an anecdotal record form	56
Activity 38 Dictation	57
Activity 39 Listening cloze: Developmental domains	58
Activity 40 Making a 'Me' Doll	58
CHAPTER 3 Describing Children and their Development	59
Part I: Everyday Language and Concepts	
Describing children's physical appearance and racial identity	60
Activity 1 Describing children's physical appearance: Patty and Max	60
Activity 2 Count and non-count nouns	61
Activity 3 Using nouns in descriptions of John, Eddy, Mark, and Lisa	61
Activity 4 Ordering multiple adjectives in descriptions of Alice and Julia	62
Activity 5 Describing skin color and racial identity	63
Activity 6 Phrases for describing origin and identity	64
Activity 7 Practice with adjectives of origin, ethnicity, and cultural identity	65
Activity 8 Completing physical descriptions of Janet and David	65
Activity 9 Correcting errors in physical descriptions of Ashley and Betty	66
Activity 10 Writing assignment: Describing a child in a photograph	66
Activity 11 Conversing with children about diversity	66
Activity 12 Writing assignment: Dialogs about appearance and identity	69
Activity 13 Talking about children's height and weight	70
Activity 14 Checking for factual description of Elsa	70
Activity 15 Writing assignment: Describing a child in person	70
Activity 16 Song: Everyone is Different	71
Activity 17 Writing Assignment: First observation project	72
Part II: Academic Language and Concepts	
Understanding growth and development	72
Activity 18 Pre-reading questions	72
Activity 19 Reading: Growth and Development	72
Activity 20 Fact-finding	74
Activity 21 Organization of the reading: Growth and Development	75
Activity 22 Reading and vocabulary analysis	75
Activity 23 Post-reading discussion	77
Activity 24 Sequencing Eric's developmental milestones	77
Activity 25 Vocabulary highlight: development	78
Activity 26 Identifying syllables and word stress	79
Activity 27 Word forms: Suffixes -able, -ity	79
Activity 28 Predicting Tony's next development	79
Activity 29 Completing sentences about future events	80
Activity 30 Student-to-student dictation	80
Part III: Practical Application	
Using a developmental profile form to assess gross motor manipulative skills	80
Activity 31 Understanding the organization of the form	82
Activity 32 Comparing the stages in the developmental continuum	82
Activity 33 Demonstrating examples of gross motor manipulative skills	82
Activity 34 Listening and categorizing examples of skills	83

Contents

Activity 35 Analyzing relationships of gross motor manipulative skills	83
Activity 36 Listening cloze: Michelle	83
Activity 37 Writing assignment: Reflection about Michelle	83
Activity 38 Dictation	83
Activity 39 Presenting a story about a doll	84
CHAPTER 4 Factors in Child Development	85
Part I: Everyday Language and Concepts	
Describing a child care environment	86
Activity 1 Listening cloze: Circle time	86
Activity 2 Noun review: Count, non-count, singular and plural	86
Activity 3 Written cloze: Play dough	87
Activity 4 Vocabulary for evaluating a child care environment	87
Activity 5 Describing the Happy Valley Child Care Center environment	88
Activity 6 Understanding a child care environment rating sheet	88
Activity 7 Using articles <u>a</u> , <u>an</u> , and <u>the</u> in a description	90
Activity 8 Placement of prepositional phrases of location	90
Activity 9 Writing assignment: Rating and describing an environment	91
Activity 10 Communicating objectively about a child care environment	92
Activity 11 Talking about an outdoor child care environment	92
Activity 12 Group observation: A child care environment	94
Activity 13 Writing assignment: Observation report of a child in an environment	94
Part II: Academic Language and Concepts	
Understanding factors in child development	95
Activity 14 Pre-reading questions	95
Activity 15 Reading: Factors in Child Development	96
Activity 16 Fact-finding	98
Activity 17 Organization of the reading: Factors in Child Development	98
Activity 18 Reading and vocabulary analysis	99
Activity 19 Post-reading discussion	101
Activity 20 Making sentences with real conditionals	103
Activity 21 Vocabulary highlight: effect, affect	104
Activity 22 Song: Up in My Tree	105
Activity 23 Word forms: Suffixes -ed, -al	106
Activity 24 Identifying syllables and word stress	106
Activity 25 Student-to-student dictation	106
Part III: Practical applications	
Responding to writing prompts	106
Activity 26 Understanding a writing prompt	106
Activity 27 Writing assignment: Respond effectively to writing prompts	108
Activity 28 Writing and listening cloze: Heredity and environment	109
Activity 29 Dictation	109
Activity 30 Creating a bilingual book: My Home	110

Contents

CHAPTER 5 Socio-Emotional Development	111
Part I: Everyday Language and Concepts	
Describing and dealing with socio-emotional behavior	112
Activity 1 Talking about socio-emotional skills	112
Activity 2 Listening to conversations about socio-emotional behavior	112
Activity 3 Identifying past pro-social and anti-social behavior	113
Activity 4 Discussing pro-social and anti-social behavior	113
Activity 5 Reporting an incident in an anecdotal record	114
Activity 6 Tips for helping children resolve conflict	114
Activity 7 Writing assignment: Resolving conflicts	116
Activity 8 Song: Make New Friends	117
Activity 9 Writing Assignment: Tender Topics	117
Activity 10 How has Susan been doing during her first week?	118
Activity 11 Choosing the present perfect or present perfect progressive	119
Activity 12 Why are the children so grouchy?	119
Activity 13 Recording and reflecting on pro-social and anti-social behavior	120
Part II: Academic Language and Concepts	
Understanding socio-emotional development	121
Activity 14 Pre-reading questions	121
Activity 15 Reading: Socio-Emotional Development	121
Activity 16 Fact-finding	123
Activity 17 Organization of the reading: Socio-Emotional Development	124
Activity 18 Reading and vocabulary analysis	125
Activity 19 Post-reading discussion	126
Activity 20 Vocabulary highlight: influence	127
Activity 21 Word forms: Suffixes -ment, -ive	128
Activity 22 Identifying syllables and word stress	128
Activity 23 Student-to-student dictation	128
Activity 24 Song: If You're Happy and You Know It	128
Activity 25 Identifying observations and assumptions	129
Activity 26 Adding qualifiers to non-factual sentences	130
Activity 27 Editing and proofreading a running record	130
Activity 28 Using a cluster diagram for pre-writing: A strategy for reflection	131
Activity 29 Reflecting on socio-emotional skills	132
Activity 30 Writing assignment: Drop-off time	133
Part III: Practical applications	
Using a developmental profile form to assess skills in social interactions with familiar adults	135
Activity 31 Understanding the organization of the form	135
Activity 32 Comparing the stages in the developmental continuum	135
Activity 33 Listening and categorizing examples of skills	136
Activity 34 Analyzing relationships of social interactions with familiar adults	136
Activity 35 Listening cloze: Janet and Kevin's social and emotional development	136
Activity 36 Dictation	137
Activity 37 Creating a behavior modification system	137
Activity 9 (extended): Tender Topics Book Evaluation Assignment	138

CHAPTER 6 Motor Development	139
Part I: Everyday Language and Concepts	
Describing motor development	140
Activity 1 Emily plays teacher	140
Activity 2 Anecdotal records about Janet and Amber	141
Activity 3 Expressing actions of purpose with an instrument in two ways	142
Activity 4 Observing and reflecting on Eric's and Jeff's motor activities	142
Activity 5 Error correction: Jeff rides a tricycle	143
Activity 6 Using prepositions with <i>hand</i>	143
Activity 7 Reflecting on the motor development of Kim, Laura, and Danny	144
Activity 8 Helping children overcome frustration with descriptive narration	145
Activity 9 Game: In what manner are you doing that?	147
Activity 10 Error correction: Expressing manner with adverbial phrases	147
Activity 11 Writing an observation and reflection on motor skills	148
Part II: Academic Language and Concepts	
Understanding Motor Development	148
Activity 12 Pre-reading questions	148
Activity 13 Reading: Motor Development	148
Activity 14 Fact-finding	150
Activity 15 Organization of the reading: Motor Development	151
Activity 16 Reading and vocabulary analysis	152
Activity 17 Post-reading discussion	153
Activity 18 Vocabulary highlight: require	153
Activity 19 Identifying active and passive voice—Piaget	155
Activity 20 Completing sentences with active and passive voice—Skinner	155
Activity 21 Error correction: Active and passive voice—Montessori	155
Activity 22 Word forms: Suffixes -ation, -ate, -able, -ible	155
Activity 23 Identifying syllables and word stress	156
Activity 24 Student-to-student dictation	156
Activity 25 Using gerunds as subjects and objects	156
Activity 26 Understanding reflexes	157
Activity 27 Infant reflexes	158
Activity 28 Information Gap: Talking about reflexes	158
Activity 29 Discussing gross and fine motor skills	159
Activity 30 Matching reflections with observations	160
Activity 31 Writing a running record and reflection	160
Activity 32 Using a topic sentence to introduce a reflective paragraph	161
Activity 33 Revising your reflection	161
Part III: Practical applications	
Using a developmental profile form to assess fine motor manipulative skills	163
Activity 34 Understanding the organization of the form	163
Activity 35 Comparing the stages in the developmental continuum	163
Activity 36 Demonstrating examples of fine motor manipulative skills	164
Activity 37 Listening and categorizing examples of skills	164

Contents

Activity 38 Analyzing relationships of fine motor manipulative skills	164
Activity 39 Listening cloze: Tony stands up	164
Activity 40 Dictation	165
Activity 41 Listening and following instructions: Simon Says	165
Activity 42 Song: What a Miracle	166
Activity 43 Writing Assignment: Second observation project	166
CHAPTER 7 Cognitive Development	167
Part I: Everyday Language and Concepts	
Describing Cognitive Development	168
Activity 1 An anecdotal record and response	168
Activity 2 Completing sentences that describe cognition	169
Activity 3 Using phrases to reflect on a child's cognitive development	170
Activity 4 Writing Assignment: Observation and reflection on cognitive behavior	171
Part II: Academic Language and Concepts	
Understanding Cognitive Development	172
Activity 5 Pre-reading questions	172
Activity 6 Reading: The Development of Knowledge	172
Activity 7 Fact-finding	174
Activity 8 Organization of the reading: The Development of Knowledge	174
Activity 9 Reading and vocabulary analysis	175
Activity 10 Post-reading discussion	176
Activity 11 Vocabulary highlight: cause	177
Activity 12 Word forms: Suffixes -tion, -ence, -ent	178
Activity 13 Identifying syllables and word stress	178
Activity 14 Student-to-student dictation	178
Activity 15 Making a prediction	179
Activity 16 Asking questions to connect to previous experience	179
Activity 17 Imagining possibilities	180
Activity 18 Editing sentences with predictions	180
Activity 19 Role-play: Helping young children make predictions	181
Activity 20 Using ordinal numbers in sentences	181
Activity 21 Song: I Know an Old Lady Who Swallowed a Fly	182
Activity 22 Using comparatives and superlatives to describe characteristics	183
Activity 23 Using seriation in the classroom	184
Activity 24 Encouraging children to make classifications	184
Activity 25 Reflecting on Piaget's types of knowledge	185
Activity 26 Using a topic sentence to introduce the main idea of a paragraph	185
Activity 27 Revising an anecdotal record	186
Part III: Practical applications	
Using early learning guidelines to assess causation skills	186
Activity 28 Understanding the guidelines for causation	187
Activity 29 Listening cloze: Cognitive development	188
Activity 30 Dictation	188
Activity 31 Making play dough	189

Contents

CHAPTER 8 Language and Literacy Development	191
Part I: Everyday Language and Concepts	
Encouraging a child to use language	192
Activity 1 Listening cloze: Why talking more helps children develop	192
Activity 2 Applying Strategy #1: Tune in	194
Activity 3 Applying Strategy #2: Talk more	195
Activity 4 Talk more in the home language	196
Activity 5 Applying Strategy #3: Take turns	196
Activity 6 The positive effects of praising children's efforts	197
Activity 7 Identifying open-ended and closed-ended questions	199
Activity 8 Using open-ended and closed-ended questions	200
Activity 9 Role-play: Tune in, talk more, and take turns	201
Part II: Academic Language and Concepts	
Understanding language and literacy development	201
Activity 10 Pre-reading questions	201
Activity 11 Reading: Language and Literacy Development	201
Activity 12 Fact-finding	204
Activity 13 Organization of the reading: Language and Literacy Development	204
Activity 14 Reading and vocabulary analysis	206
Activity 15 Post-reading discussion	208
Activity 16 Benefits of taking children's dictation	208
Activity 17 Taking a child's dictation	209
Activity 18 Vocabulary highlight: say, tell	210
Activity 19 Error correction: Direct and indirect speech	211
Activity 20 Word forms: Suffixes -tion, -cy	212
Activity 21 Identifying syllables and word stress	212
Activity 22 Student-to-student dictation	212
Activity 23 Examining a fable: The Lion and the Mouse	212
Activity 24 Writing Assignment: Preparing to read 'The Lion and The Mouse' to children	213
Activity 25 Reading a story aloud to a child	214
Activity 26 Song: Read a Book	214
Activity 27 Using reframing language to help children work through conflict	215
Activity 28 Reframing children's communication	216
Part III: Practical applications	
Using a speech and language checklist to analyze and rate speech	216
Activity 29 Understanding a Speech and Language Checklist	218
Activity 30 Completing a speech and language checklist	218
Activity 31 Listening cloze: Dual language learners	219
Activity 32 Dictation	219
Activity 33 Making a greeting card	220
Appendix	221
Sentence Structure and Mechanics	221
Pair Activities for Partner A	226
Word Forms	229
Observation Projects	237
Pair Activities for Partner B	241
Blank Forms and Charts
